ONE QUART (946 mL)

**¡PELIGRO! DAÑO O
MORTAL POR INGESTIÓN.**
Lea toda la etiqueta antes de usar o
almacenar este producto.

J9913

DIRECTIONS FOR USE: Shake well. **TO RECONDITION DRIED BRUSHES:** 1. Suspend brush in a metal can and fill with Brush Cleaner until bristles are covered up to the metal base of the bristles. Soak brush for several hours, or overnight, until the paint is softened. Occasionally agitate brush to speed the softening. 2. Loosen residue with a brush comb or metal fork, starting at the base of the bristles. Agitate in fresh cleaner to loosen remaining residue and shake out excess cleaner. Wash brush thoroughly with warm soapy water, shake out excess water, and hang brush to dry. **TO CLEAN FRESH PAINT:** For brushes and rollers with wet paint or coatings, agitate in Brush Cleaner immediately. Follow directions in #2 above.

IMPORTANT: Carefully read all cautions and directions before use. Use this product **ONLY** as directed on the label. **HELPFUL TIPS:** Store brushes by wrapping in heavy paper to preserve original shape and hang bristles down or lay flat. Could cause flaring of natural bristle brushes. Keep from freezing.

DANGER! HARMFUL OR FATAL IF SWALLOWED. Contains petroleum distillates. Avoid contact with eyes and prolonged contact with skin. Do not swallow.

FIRST AID: IF SWALLOWED, call physician immediately. Call the Poison Control Center at 1-800-222-1222 or hospital emergency room.

IN CASE OF EYE CONTACT, immediately flush with water, remove any contact lens, continue flushing with water for at least 15 minutes, then get immediate medical attention. **IN CASE OF SKIN CONTACT,** immediately wash with soap and water. If irritation persists, get medical attention.

KEEP OUT OF REACH OF CHILDREN.

Product Category: Multipurpose Solvent • MAX VOC: 25 g/L

IMPORTANTE: Lea atentamente todas las precauciones e instrucciones antes de su uso. Utilice este producto únicamente como se indica en la etiqueta. **SUGERENCIAS ÚTILES:** Almacene las brochas envolviéndolas en papel grueso para preservar su forma original y colóquelas con las cerdas apuntando hacia abajo o recostadas en una superficie plana horizontal. Puede causar ensanchamiento en las brochas de cerdas naturales. Evite que se congele.

¡PELIGRO! DAÑO O MORTAL POR INGESTIÓN. Contiene destilados de petróleo. Evite el contacto con los ojos y el contacto prolongado con la piel. No debe ingerirse.

PRIMEROS AUXILIOS: EN CASO DE INGESTIÓN, llame a un médico inmediatamente. Llame al centro de control toxicológico al 1-800-222-1222 o a la sala de emergencias de un hospital.

SI EL PRODUCTO ENTRA EN CONTACTO CON LOS OJOS, enjuague de inmediato con agua, quítese los lentes de contacto en caso de llevarlos, continúe enjuagando con agua durante al menos 15 minutos y a continuación obtenga asistencia médica de inmediato. **EN CASO DE CONTACTO CON LA PIEL,** lave de inmediato con jabón y agua. Si persiste la irritación, solicite atención médica.

MANTÉNGASE FUERA DEL ALCANCE DE LOS NIÑOS.

Categoría de producto: Solvente multiuso • COV máx.: 25 g/L

* No VOC per the definition required by CARB.
** No EPA Hazardous Air Pollutants.

*** Less harsh on skin compared to regular Klean Strip Brush Cleaner. Always avoid prolonged contact with skin.

No environmental benefits are claimed for this product beyond those specifically identified on the label.
